WASHINGTON THEATER

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

GAME PRESERVE

Of 3,000 Acres in Adams County, O., Offered To the State of Ohio.

Deputy Game Warden John Srofe of Brown county, O., stated that the state department had assigned Highland county to be under his supervision. This will make his district comprise Brown, Adams and Highland counties. He is keeping a close watch upon those inclined to violate both fish and game laws and stated that he was receiving the co-operation of citizens throughout the district.

Mr. Srofe also stated that the department contemplated establishing game preserves in every county. The plan is to lease areas, where add kind of game can be raised, under protection of the land owners. In Liberty township in Adams county, a section of 3,000 acres has been located and the state department is considering naming that a preserve. When this is done quail, pheasant, rabbit, squirrel and other small game will be stocked there with the assurance that they will be out of harm of hunters.

VALUABLE TREE

Sold For \$1 That Was Afterwards Priced At \$700, and Offer Refused.

(West Union Record.)
When the Adams County Building and Loan Company sold a walnut tree standing in the yard just back of their office to Albert Q. Ebrite for \$1, the company did not know it was disposing of a veritable gold mine. Neither did the purchaser realize he was acquiring possession of anything but stove wood.

However, when the tree was cut down the other day, the main trunk was found to be of the curly walnut variety, a valuable veneering wood.
O. H. Preston of Wilmington, here buying timber for the Hoffman Bros. of Ft. Wayne, Ind., when shown the walnut log, offered Mr. Ebrite \$700 for it. The offer was refused at the price, and Mr. Preston will be back again next week, when Mr. Ebrite expects to close the deal with him for a bigger price.

Winchester is all puffed up. A recent census gave that place a population of 7,500.

Ever Eat

Grape-Nuts?

There's a vast army of physical and mental workers who do.

One reason--its delicious nut-like flavour.

Another--it is easily and quickly digested--generally in about one hour.

But the big reason is--Grape-Nuts, besides having delicious taste, supplies all the rich nutriment of whole wheat and malted barley, including the "vital" mineral salts necessary for building brain, nerve and muscle.

Always ready to eat direct from the package, Grape-Nuts with cream or good milk is a well balanced ration--the utmost in sound nourishment.

"REV." ROBY BROWN

Found Guilty of Perjury in Adams County, O., and Sentenced To the Mansfield Reformatory.

(West Union Defender.)

Rev. Roby Brown, under indictment for perjury in connection with the securing of a license to marry Mrs. Nannie Burtrum Ramey, was tried in the common pleas court Tuesday before Judge W. P. Stephenson, and the jury in the case brought in a verdict of guilty, and the prisoner was sentenced to the state reformatory at Mansfield for an indefinite period. He was taken to that institution Thursday by Sheriff C. A. Spears.

Brown had just reached his twenty-sixth birthday on the day of his trial. Mrs. Ramey, who had been a fellow prisoner with Brown since their marriage here on February 8, pleaded guilty Wednesday morning and was given a suspended penitentiary sentence. She was taken by her father to his home on Turkey Creek in Scioto county. She is defendant in a divorce suit recently filed by her husband, John Ramey, in the Scioto county court.

The evidence in the Brown trial disclosed the fact that Mrs. Ramey had married Robert Jarvis in Portsmouth when she was but 14 years old, as shown by the marriage record book brought into court by Probate Judge T. C. Beatty of Portsmouth. Later, the testimony showed she married John Ramey at Ashland, Ky., while Jarvis was still living, but had not yet attained the legal age to contract marriage, neither had the girl. This appeared to legalize her marriage to Ramey, whose wife she was considered to be when she married Brown.

KILLED AT LAST

Pesky Groundhog Made Way With After He Had Done All His Devilment.

(Mt. Olivet Tribune-Democrat.)

Neville McNeese, a colored man living on Sherman Heminger's Boone farm on Piqua pike, tells us he made away Monday with the pesky groundhog that has been giving us so much trouble. His hogship, Neville says, was the largest he ever saw, and the fattest. It came across from the woodland and gave fight to Neville's dog, and after a spirited battle was badly worsted. Neville will tan his hide and use it in making shoestrings.

THE BUSY SUBURBANITE.

It was the busy hour of 4 When from a city hardware store Emerged a gentleman who bore

1 hoe,
1 spade,
1 large rake.

From there our hero promptly went Into a seed establishment.

And for these things his money spent:
1 peck of bulbs,
1 lot assorted shrubs,
1 quart of vegetable seeds.

He has a garden under way And if he's fairly lucky, say, He'll have about the last of may

1 tomato vine,
1 egg plant,
1 radish.

ROBERTSON COUNTY COURT.

The March term of the Robertson Circuit Court convened Monday and remained in session three days. Judge Fryer presiding. The docket was light, there being only two jury cases. In the case of the Commonwealth vs. Holly Askin, charged with rape, the jury hung. It is said the jury stood three for conviction and nine for acquittal. William Mastin, charged with assault and battery, was fined \$10 and costs. The grand jury remained in session four days and returned eight indictments for minor offenses.

PROFITABLE HENS.

(Mt. Olivet Tribune-Democrat.)

N. H. Monson tells us they have about 140 hens at their home, the old Henry A. Wood homestead on Salt Lick, that have proven quite profitable the last year, from which they have sold \$140 worth of eggs and besides have had liberal supplies for household use. The hen is one of the most valuable adjuncts of the farm and the one item of eggs alone brings many thousands of dollars into Robertson county annually.

No great while ago J. D. Robinson of Antioch, Harrison county, bought a tract of 114 acres of land in that neighborhood, for which he paid \$1,575. Recently he sold the same land for \$3,500.

WILLARD THE WINNER.

New York.--With his right hand bandaged, owing to an injury to a knuckle of the index finger and nearly \$40,000 in big bills carefully stowed somewhere about his person, Jess Willard, the winner of Saturday night bout with Moran here, left for his home at Chicago. Tex Rickard, who promoted the bout, said the sale of tickets amounted to a little over \$150,000, the attendance being 12,000. The fight went to the full limit of ten rounds, with Willard on top during the last seven.

TOBACCO GROWING RECORD.

(West Union Defender.)

Messrs. Vern Malone and Thomas Poole are probably the champion tobacco growers in Adams county or in southern Ohio for that matter. Last season they raised a three-acre patch of the weed on Edward Poole's creek farm near West Union that weighed 5,250 pounds. The tobacco was sold at the Farmers warehouse here for \$688.53 clear of all expenses, or \$232.70 per acre. Who can beat it?

LINER MINNEAPOLIS SUNK.

Marseilles, March 28.--The British liner Minneapolis was sunk in the Mediterranean last Wednesday by a submarine, according to Captain Bibby, of the British steamer Leicestershire, which has arrived here from Rangoon.

The object of the Hutchcraft measure is to close the saloons on Sunday and provide this is done other adjoining places of business need not be closed. Attorney General Logan said in answering a letter for an interpretation of the measure. However, if it is necessary to close an adjoining place of business to enforce the saloon law, it can be done. Mr. Logan says officers of the law "have the power to do all things that may be reasonably necessary to enforce the law."

With the burning of the old Asa K. Lewis property in Clark county, passes a landmark more than 100 years old. Judge Asa E. Lewis, who built it, was one of the early judges in the old Court of Quarter Sessions of that county and was also Grand Master of the Grand Lodge of Kentucky Masons.

A majority vote is sufficient to pass bond issues to an amount equal to 5 per cent of the taxable value of property in the counties, the Court of Appeals held in affirming the \$600,000 Daviess county road bond issue.

The new tourist steamer Homer Smith will leave Pittsburgh with her Easter excursion for New Orleans on April 15.

The repairs are about completed on Greene Line steamers Greenleaf and Chilo at Point Pleasant, W. Va. The Greenleaf will re-enter the Pomeroy and Charleston trade the first of April. Then the Greene Line will have a daily packet leaving the foot of Sycamore street for Pomeroy and Charleston, W. Va., and will receive freight daily for Parkersburg, Marietta, Wheeling, Pittsburgh and all way points.

The Tell City will be one of the largest packets that ever ran in the Pittsburgh, Gallipolis and Charleston trade. She is allowed 459 tons. The Kanawha was allowed 429 tons. There is not much difference in the size of the two boats. Both have the same depth of hold, the Kanawha was a few inches wider and the Tell City is 9 1/2 feet long to be accurate and according to government measurements.

RECORD OF THE PAST

No Stronger Evidence Can Be Had In Maysville

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; any reader suffering from urinary troubles, from kidney ills, should find comforting words in the following statement.

Mrs. John Burns, Maysville, says: "I was subject to severe spells of backache and kidney trouble. They came on every three or six months and at times I was confined to bed and almost helpless. I used Doan's Kidney Pills and they gave me quick benefit. Since then when I have noticed slight return attacks of backache, I have used Doan's Kidney Pills and they have never failed to quickly check the trouble."

OVER SEVEN YEARS LATER Mrs. Burns said: "The statement I gave before praising Doan's Kidney Pills still holds good. I know that this medicine acts as represented."

Hudson Super-Six

Hasty Buying May Mean Long Regrets

If you can't get a Super-Six today--wait for it. Don't be persuaded into buying an inferior car. Don't allow your good judgment to be stampered by a clever salesman. Don't be hasty in buying, or you may be a long, long time regretting.

There is a wonderful new principle embodied in the Super-Six motor. How marvelous that discovery is you will never realize until after you have owned and driven your own car. There is no "bunk," no "hot air," no misrepresentation of any kind in the car, in the advertising, in the dealer's statement.

The Super-Six is just what we say. It does just what we say. It has proved to the satisfaction of American Automobile Association officials, and scores of prominent engineers to be everything that we claim.

But--you can not enjoy the advantages that are waiting for your acceptance if you rush hastily into the purchase of an ordinary car rather than wait a few days, or weeks, for your Super-Six.

The spring buyer is eager for his new car. He thinks he can not wait. But if he gets it during the months of snow, mud, bad weather and bad roads he can do little with it. How much better to drive the old car--or none--and get delivery of his Super-Six all bright, beautiful, and fresh at a time when roads are good, weather is settled, and he can enjoy his new car to the full.

The Super-Six is worth waiting for. You never can know how well worth it until after you drive it. If you give up the Super-Six hastily, carelessly, without thoroughly understanding what you are missing, you'll have some long, long regrets ahead of you.

Call and see us about this car.
